- \*\* Parent/caregiver may, but does not have to, attend story time with child.
- \*\*\* Child attends story time without parent/caregiver.

We carefully plan each Story Time to enhance your child's love of books and reading, to help with language development, and to provide a warm social environment for group interaction. Past experience has shown us that the programs listed above work best if your child has reached the required age before the first session. Help us make Story Time the best experience possible for your child. Thank you for your cooperation.
