This is a brand new way to volunteer at the Library for those that are tech savvy with patience and a smile! Volunteers will be in the library from 3-5 on weekdays to assist patrons with their tech questions. Expect to be helping people to print, assisting with attaching

documents to email, providing one on one help with their tablet and more! If this sounds like something you'd love to do, please fill out an application at <http://bernardslibrary.org/content/student-volunteer-application> [2]
