# Science Comics

with Jason Viola

**SATURDAY MAY 15th at 10:30am**

*Comic books are not just fun to read - they can be incredible gateways for learning about the world! Massachusetts-based graphic novel writer Jason Viola (Science Comics: Polar Bears and Science Comics: The Digestive System) fills his comics with humorous situations, endearing characters, and a lifelong fascination with science.*

**Enjoy a behind-the-scenes look with the author himself and hear how a comic is made and learn about some of the decisions that go into the construction of a professional comic book page!**
