

RHS Approved Community Service Organizations UPDATED 5/1/2019

The following organizations, organized by type, comprise many, though by no means all, of the organizations with which Ridge students have completed their US History community service requirement. The list is updated annually to reflect changes in the experiences of RHS students from the previous year. If the organization with which you would like to work DOES NOT appear on this list, you must submit, IN ADVANCE, a request for approval of organization. [Click here](#) to access the request for approval form*.
